L'ARÔME
by the sea Phuket

A PROGRESSION OF THE SEA

"At L'Arôme by the Sea, the tasting menu is conceived as a structured journey—shaped by the evolving states of the ocean.

From clarity and minerality to depth and intensity, each course reflects a distinct expression of the sea, guided by precision, restraint, and a deep respect for the ingredient.

Rather than a collection of dishes, the menu unfolds as a continuous progression—where flavour, texture, and rhythm move in balance, before returning to lightness.

A cuisine defined not by complexity, but by clarity—
where the sea remains present in every moment."
